### Warranty Information

\*1 year warranty

\*\*2 year warranty

\*\*\*3 year warranty

NOTE: All HSB pads are a USB connection w/ a HSB driver.

† If you are a Kinectiive Sign™ workstation client module customer, please be aware signature pads connected to workstations that are capturing signatures must be licensed. Please confirm the number of licenses you have purchased to ensure you are in compliance with your agreement.

Kinectiive reserves the right to withhold processing hardware requests if prior hardware invoices remain unpaid.

Return requests must be received within 10 days from receipt of equipment. Items must be marketable and saleable as new with packaging intact and unopened (i.e., no broken seals, damaged or marked-on boxes, etc.). Opened, unused items cannot be returned. Pictures must be provided to verify packaging is unopened, undamaged, and unmarked. Items authorized for return/refund will be subject to a restocking fee plus freight to ship items back to vendor.

### Additional Information

\*Canon Enhanced Warranty CarePak:

The Enhanced Warranty CarePak for Canon Check Readers is an extended service plan that becomes effective on the date the warranty expires. Service is performed via Canon's Help Desk and Advance Exchange. CarePaks must be purchased at time of order and are non-renewable after its expiration date. Technical Support: You are entitled to the telephone support set forth below for the product during the term of the CarePak. Toll-Free telephone support for troubleshooting issues at 1-800-423-2366 is available Monday through Friday from 8:00 a.m. to 8 p.m. E.S.T. excluding holidays. Hours of availability for toll-free telephone support are subject to change in Canon's reasonable discretion. For more efficient support, please have your CarePak enrollment number, Product model, and Product serial number available. Obtaining Service: As a condition to obtaining service under this CarePak, you must first troubleshoot your product's malfunction in good faith with Canon's technical support team. If Canon cannot fix the product's malfunction through remote diagnosis, Canon may choose to either (1) exchange your product through Canon's Advanced Exchange Service program, (2) schedule an on-site service call through an independent Canon Authorized Service Provider (the "Service Provider"), or (3) refer you to a Canon Authorized Service Facility ("ASF"). The service option chosen is in Canon's sole discretion. Not all options may be available at the time service is requested.

Kinective reserves the right to withhold processing hardware requests if prior hardware invoices remain unpaid.

Return requests must be received within 30 days from receipt of equipment. Items must be marketable and saleable as new with packaging intact and unopened (i.e., no broken seals, damaged or marked-on boxes, etc.). Opened, unused items cannot be returned. Pictures must be provided to verify packaging is unopened, undamaged, and unmarked. Items authorized for return/refund will be subject to a restocking fee plus freight to ship items back to vendor.
